Sir:

RESPONSE TO SPECIES RESTRICTION

Unfortunately, the October 21, 2005 species restriction did not take into account the claims filed in the Preliminary Amendment filed April 2, 2004. The Office Action of October 21, 2005 lists claims 1-22 as pending. However, in the Preliminary Amendment filed April 2, 2004, receipt of which is clearly evidenced by the PAIR system, original claims 1-22 were canceled and new claims 23-48 were added.

Therefore, the restriction is incorrect and should be withdrawn. If election must be made, Applicant provisionally elects Species 1 (the embodiment of Fig. 3, claims 23-34 and 36-47) for further prosecution in the event no generic claim is finally held to be allowable, but does so for said of not being unresponsive.

This election is made with strong traverse in view of the apparent misinformation regarding the pending claims.

The Commissioner is authorized to charge the undersigned's deposit account no. 14-1140 in whatever amount is necessary for entry of this Amendment and the continued pendency of the captioned application, including but not limited to any extension of time fees.

Should the Examiner feel that an interview with the undersigned would facilitate allowance of this application, the Examiner is encouraged to contact the undersigned.

Respectfully submitted,
NIXON & VANDERHYE P.C.
